Suspense gripped the grounds of Bihani Academy. Students kept whispering among themselves while teachers dodged all questions carefully, keeping everything under wraps.

This was the scene during the run-up to the Children's Day celebrations at Bihani Academy.

On the special day, on November 14, the school was decked up with balloons and banners and the festive atmosphere was palpable to all that entered the gates. The children came in coloured clothes ready for a good time.

The teachers had organised a cultural programme on the occasion, to celebrate the innocence and exuberance of childhood and to keep the inner child alive in all.

The ball was set rolling when principal Sanjay Adhya and teacher coordinators lit the inaugural lamp. Adhya gave an inspiring speech, reminding the students of the importance of their role in shaping the future and encouraging them to make the most of their childhood.

The teachers, usually seen in their strict avatar inside classrooms, were transformed into graceful performers. They wore vibrant costumes to present a classical dance. The fluid movements, intricate footwork and elegant gestures left the students in awe.

Teachers also presented a medley of contemporary songs.

What stole the show was an energetic western dance performance.

Next, the teacher's choir presented another medley of eastern and western songs. It was followed by an instrumental performance by the music teachers. The Bollywood dance performance was an absolute showstopper, filled with high energy, bright costumes, and lively music that got everyone cheering and clapping along.

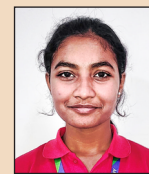

Teachers also sang the *Shiva Strotam* and performed a play on Gopal Bhar.

The students enjoyed every celebration and thanked the teachers for their effort. Many pictures were taken and memories made throughout the day.

We celebrated Children's Day with fun and laughter. All the teachers performed various fun activities for us. The day was a memorable one! We were allowed to wear coloured dresses on that day and also given food packets. We all enjoyed a lot!
